Answer

MINISTER OF STATE FOR URBAN DEVELOPMENT & POVERTY ALLEVIATION (SHRI BANDARU DATTATREYA)

(a)to(e): Water supply and Sewage being state subject, it is the responsibility of State Governments to plan, implement, operate and maintain water supply and sewage facilities and make adequate provision of funds in their State plans for the purpose. However, in order to supplement the efforts of the State Governments for providing water supply facilities to the towns having population less than 20,000 (as per 1991 census), a Centrally sponsored Accelerated Urban Water Supply Programme (AUWSP) was launched during 1993-94 in order to provide Central assistance to the State Governments on 50:50 matching basis between Centre and State. Under AUWSP, water supply schemes for 190 towns of Uttar Pradesh have been sanctioned at an estimated cost of Rs.14,924.86 lakhs and Rs.5614.97 lakhs have been released to the Government of Uttar Pradesh as Central share. Details of these schemes are at Annexure. There is no Central Sector Scheme under which funds can be provided for provision of sewage facilities.

An Integrated project for construction of Barrage over River Ganga has been sanctioned by the Government of India at an estimated cost of Rs.263.40 crores and it has been decided that 50% of this amount would be given as loan to the Govt. of Uttar Pradesh by the Union Government. The project envisages to rectify gradual shifting of river Ganga from its right bank i.e. Kanpur and also to solve the drinking water problem.

Against the Central share of Rs.131.70 crores, which is to be released as loan to the Government of Uttar Pradesh, Rs.70.49 crores have been released till date.

(f): No, Sir.

(g): Does not arise.
